DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Water Act

Under 28 CFR 50.7, notice is hereby given that on August 20, 2009, a proposed Modification to Settlement Agreement and Final Order ('`Modification'') in United States and State of California ex rel. California Regional Water Quality Control Board, Los Angeles Region v. City of Los Angeles, Civil Action No. 01-191-RSWL, was lodged with the United States District Court for the Central District of California, Western Division. The United States and the State's action is consolidated with Santa Monica Baykeeper v. The City of Los Angeles, Civil Action No. 98-9039-RSWL.

Under the proposed Modification, the Odor Control provisions of the Settlement Agreement and Final Order, entered by the Court on October 28, 2004, will be amended. The City of Los Angeles ('`the City'') will take new and/or modified actions to control odors from the City's sewers and to involve affected communities in the planning process for these actions. The Modification also replaces two Supplemental Environmental Projects specified in the Settlement Agreement and Final Order with a new project, the Garvanza Park Water Quality Enhancement BMP Project, at the same cost to the City.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Modification. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to the Modification between the United States, the State of California and the City of Los Angeles, DOJ Ref. No. 90-5-1-1-809/1.

The Modification may be examined at EPA's office, 75 Hawthorne Street, San
